1.1 Definitions

Base Fare	The portion of the ticket price excluding taxes, airport fees, and optional services.
Scheduled Departure	The departure time shown on the most recent itinerary issued by SkyJet.

Passenger	A person named on a ticket who is carried, or is to be carried, on a SkyJet flight.

1.2 Fare Classes

Every SkyJet ticket is sold under one of three fare classes. The fare class printed on your booking determines your cancellation, rescheduling, and baggage entitlements throughout this handbook.

Fare Class	Description
Saver	Lowest fare. Economy cabin. Most restrictive cancellation and change terms.
Flex	Mid-priced fare. Economy cabin. Lower fees and a larger baggage allowance.
Business	Premium cabin. Fully flexible, with the highest baggage allowance and lounge access.

2. Cancellation & Refund Policy

2.1 Refund Amount by Fare Class and Notice Period

The refund you receive depends on your fare class and how far ahead of scheduled departure you cancel. The cancellation fee is deducted from the base fare; taxes and airport fees are always refunded in full.

Fare Class	More than 72 hours before departure	24 to 72 hours before	Less than 24 hours before
Saver	Refund minus Rs. 3,500 fee	Refund minus Rs. 5,000 fee	No refund (taxes only)

Business	Full refund, no fee	Full refund, no fee	Refund minus Rs. 2,000 fee

2.2 24-Hour Free Cancellation

Any ticket may be canceled free of charge within 24 hours of booking, provided the flight departs at least 7 days after the time of booking. This rule overrides the fee table above for all fare classes.

2.3 Refund Timelines

Payment Method	Refund Timeline
Credit / Debit Card	7 to 10 business days
UPI / Net Banking	3 to 5 business days
SkyJet Travel Wallet	Instant
Travel Agent Booking	Refunded to the agent; 14 to 21 business days

2.4 No-Show

If you do not check in and do not board your flight without canceling beforehand, you are a no-show. Saver and Flex tickets are forfeited with taxes refunded only. Business tickets receive a refund minus Rs. 4,000 if the no-show is reported within 24 hours after departure.

3. Rescheduling Policy

You may change your flight date or time up to 2 hours before scheduled departure, subject to seat availability in the same fare class. Any difference in fare between the original and new flight must be paid.

Fare Class	Change Fee	Number of Free Changes
Saver	Rs. 3,000 per change	None
Flex	Rs. 1,000 per change	One free change per ticket
Business	No fee	Unlimited

Name corrections of up to 3 characters are free on Flex and Business tickets and cost Rs. 1,500 on Saver tickets. Ticket transfers to another person are not permitted on any fare class.

4. Baggage Policy

4.1 Allowance by Fare Class

Fare Class	Cabin Baggage	Checked Baggage
Saver	1 piece, up to 7 kg	15 kg
Flex	1 piece, up to 7 kg	25 kg
Business	2 pieces, up to 7 kg each	40 kg

4.2 Excess Baggage Fees

Checked baggage above your allowance is charged at Rs. 600 per kg when paid online at least 24 hours before departure, and Rs. 900 per kg at the airport. A single bag may not exceed 32 kg. Sports equipment such as golf clubs, bicycles, and skis counts as one checked piece and is charged a flat Rs. 2,500 when booked in advance.

4.3 Restricted and Prohibited Items

Power banks and spare lithium batteries must be carried in cabin baggage only and must not exceed 100 Wh. Liquids in cabin baggage are limited to containers of 100 ml each, within one transparent 1-litre bag. Flammable materials, compressed gases, and sharp objects are prohibited in cabin baggage.

4.4 Lost or Damaged Baggage

Report damaged or missing baggage at the airport baggage desk before leaving the arrival hall, or within 7 days for damage discovered later. Delayed baggage is delivered to your address free of charge; baggage not located within 21 days is treated as lost, with compensation of up to Rs. 1,000 per kg, capped at Rs. 20,000 per passenger.

5. Check-in & Boarding Policy

Flight Type	Web Check-in Opens	Web Check-in Closes	Airport Counter Closes
Domestic	48 hours before departure	2 hours before departure	60 minutes before departure
International	48 hours before departure	3 hours before departure	75 minutes before departure

Boarding gates close 25 minutes before departure for domestic flights and 40 minutes before departure for international flights. Passengers who arrive at the gate after it closes will not be allowed to board and are treated as no-shows. Valid government photo ID is required for domestic flights; a valid passport (and visa where applicable) is required for international flights.

Seat selection is free for Business passengers and SkyMiles Gold and Platinum members. Saver and Flex passengers pay Rs. 300 to Rs. 800 depending on seat position.

6. Delays & Cancellations by SkyJet

When SkyJet delays or cancels a flight, the following entitlements apply regardless of fare class.

Delay of 4 to 6 hours	Meal voucher worth Rs. 600
Delay of more than 6 hours overnight	Hotel accommodation and airport transfers
Delay of more than 3 hours (passenger's choice)	Full refund of the unused ticket with no fee, instead of waiting

Denied boarding due to overbooking	Compensation of Rs. 10,000 (domestic) or Rs. 20,000 (international), plus rebooking

Delays caused by weather, air traffic control restrictions, or security events are outside SkyJet's control; in these cases, refunds and rebooking apply but cash compensation does not.
